

President's Excellence Program (PEP Award)

Please take a minute to nominate a fellow REALTOR® for the President's Excellence Program. This award is designed for the President of CCRA to honor a REALTOR® member for exceptional service to our Association. The PEP Award is not based on volume of sales, listings, or leases but is based on commitment to the Association and the real estate industry; the award recognizes leadership in the real estate profession and involvement in Association activities. Residential and Commercial REALTORS® are eligible. **In addition to other nominees, the three recipients of the PEP Award throughout the year will be considered for the REALTOR® of the Year Award given at the December luncheon.** This nomination form should be returned to CCRA By Thursday, May 15, 2008.
